

ONE DAY WORKSHOP

SESSION ON

CAREER GUIDANCE

organised by
Department of Economics

In collaboration with
Department of Mathematics
Bimandi Chandra Medhi College, Ramdia

Date : 25/10/2019

Time : 11:00 AM

Objectives of the Programme :

1. To encourage students to compete any competitive examinations.
2. To guide students for achievement in life.

On 25th October, 2019, in initiative of career counseling and guidance cell, B.C. Medhi College, Deptt of Economics in collaboration with Deptt of Mathematics organises a career guidance programme in the college campus. Mr. Ashimjyoti Deka, PGT, Economics department, Khetrihardia H.S. School is the resource person of the programme. Being an alumni of our college, Ashim encourages the students to make fit themselves to achieve the competitive examinations. He gives a lucid explanation of his own journey from his poor family to the PGT teacher. Students are highly satisfied with his guidance. They urge to do hard study for any achievement in their life.

Outcomes of the programme:

The programme encourage our students on dignity of labour. They come to know
