POLICY DOCUMENT OF E-GOVERNANCE IN THE COLLEGE

In the field of education, E-governance has changed the way of administration. It is designed to make the administration system user friendly, time saving and cost saving. It is a consolidated solution for college that empower the governing bodies to maintain the large volume of information such as Admission, Registration, Examination, Budget, Salary Bill, Reports, Staff details etc.

Objectives:

- To reduce duplication
- Easy and speedy access to information and reports
- Minimize time, expenditure, manpower etc.

Governing Body Resolution:

The Governing Body of the college has resolved in the meeting held on 08/12/2019 to install Digital Campus System for Online Admission and other administrative activities.

Status of Implementation

The college has implemented e-governance in the following areas:

- **Student Data & Admission:** Students data and admission process is conducted through www.bcmcollege.in which is designed and developed by Technowell Services Pvt. Ltd and Kareng Technologies.
- **Online Salary:** In case of salary, the college utilized finassam/SBI Net banking online platform for payment of monthly salary and related matters
- **E Learning:** E learning has been implemented in the college where in faculty members and students have been utilizing through various platform
- **Library E governance:** It is also implemented in the college through library software and digital library system.
