A meeting is organized by the Women Cell in collaboration with the department of Education and department of Political Science of Binandi Chandra Meelhi College, Ramdia, to celebrate International Women Day at college premise. The meeting is presided over by Lilip Das, HOD, department of Political Science. The purpose of the meeting is explained by the convenor of Women Cell, Bijuli Saha, HOD, department of Education. The present ed faculties of the college express their opinion about history of celebration of International Women Day on 8 March. All the faculties enlighten about the challenges faced by women in every aspect of life. And suggest all the participant about how to deal with challenges. There are so many ways to solve the problems faced by women. But education is the main instrument through which a woman can change her mind-set regarding her life style and problem faced by her. Some of the students also express and concern their views regarding womens equality and promise to carry the valuable message from this meeting in a positive note.

Today, on 15 June, 2018 an awareness programme is organized by Women Cell of Binandi Chandra Medhi College, Ramdia at Hajarkuri Balika L.P. School. The programme is presided over by Mukul Seka, Headmaster of Hajarkuri Balika L.P. School. The members of women cell and the parents of the students are gathered in the programme. The purpose of the programme is explained by Bijuli Seka, Convenor of Women Cell.

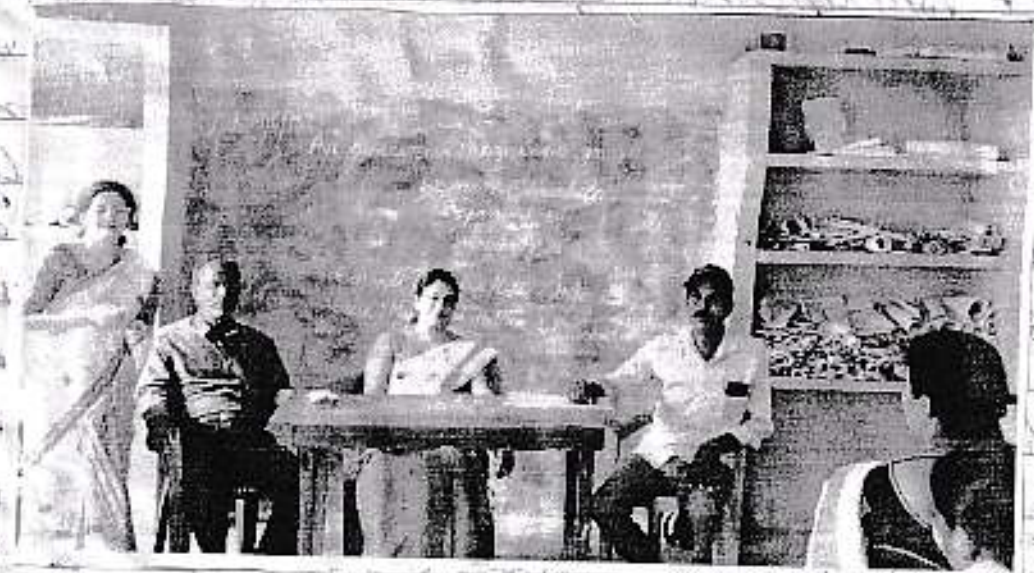

After that members of the cell highlight significance of education in lives of human beings that education fills every aspiration of an individual. Education gives and identify to establish in the society and glitz the lights of wisdom in every walk of life. Members also put emphasis on women's literacy for bringing a holistic change in the family as well as the society. A girl is an asset of the society and the nation as well. To save a girl from the society of patriarchal orthodox, education is an essential way to overcome all hurdles of life.

Further, members of the cell urge the parents and community members to focus on their girls education as boys to make an equilibrium society where

On 11th Nov, 2020 the National Education Day is observed at Majoruri Balika L.P. School, Ramdia by Department of Education, B.C. Medhi College, Ramdia. The programme tries to make conscious the parents and students about blended learning. Mr. Mukut Das, Headmaster, Majoruri Balika L.P. school is the chairperson of the programme. Mrs. Bijuli Bera, HOD, Education Department, explains the meaning of blended learning. She says that blended learning is a style of education in which students learn via electronic and online media as well as traditional face-to-face teaching. Due to Covid-19 pandemic situation this method of learning becomes very fruitful for students to develop the education. Mrs. Manisha Majumdar, Asstt. Prof. Education Department delivers her lecture on usefulness of blended learning. The chairperson summed up the whole discussion and comments on the blended learning system. With vote of thanks given by Manisha Majumdar, the programme comes to end.

Outcomes of the programme:
The parents as well as students are highly benefitted with the programme. They express their feelings that blended learning is a new concept for them. They come to know about this term today only. They have not heard about the blended learning before.

Above the Signature of the Students of our College,
General Publics of Sialmari char and the Students of
Heisenberg Academy, Gairibura Ponn.

A Brief History of our Field Survey

After a long declaration of Covid Pandemic
College was re-opened and the Dept. of History of
Bimandi Chandra Medhi College, Ramdi decided to
visit the nearest char (Island) Sialmari. The DAC
of the History Department allowed to visit the
area. The date had fixed on 1st Feb / 2022. The
aim of the trip was field Survey on Socio-Economic
Condition of the Sialmari char (Island)

We began our journey at 8.00 A.M.
on 1st Feb / 2020 from our College. The day was
Tuesday. There were 15 (Fifteen) Students and
1 (one) Teacher as a guide. After reaching our
destination at about 9.30 A.M. had our breakfast.
After breakfast we started our work accordingly.
I noted down some of the important points of
our field Survey.

The char (Island) is situated in be-
tween Kamrup and Nalbari Districts. There is
no any permanent road to communicate with
the char (Island). Most of the people belongs to
Religious Minority Caste. The main occupation
of the people of Sialmari char (Island) is cultiv-
ation. A few portion they are engaged
with weaving.

From beginning to end of the

DATE: / /

trips. Students observed the Socio-Economic Condition of the People of the Particular area we visited. Cultivated field, Police Station, Riverside Public Health Centre (Kudikamari char), Schools and the Local People houses.

Out Come of the Field Survey.

- ① Students got to know about the Historic Significance of the area.
- ② Students Learned about their Life style How much dangerous Life they are Leading.
- ③ Almost the Socio-Economic Condition of Siatmari char (Island) is fish out of water.
- ④ The Local People and the Students made memorandum towards Local MLA, indicated various Problem of the area, through the G.P. President.

River is the backbone of human civilization. But the term is complete opposite regarding the Siatmari char (Island). The mighty Brahmaputra broken the area into Pieces and erosion of the river devastated the dream of the People.

The whole Field Survey trips was a Pleasant experience. We got to visit the beautiful Place with natural Scenario. We also enjoyed the trips a Lot. We Came back before Sunset.

One-day long Workshop
on

Cutting & Embroidery

Date: 18-02-2022

Time: 11:00 A.M.

Venue: Binandi Chandra Medhi College, Ramdia

The Cutting & Embroidery Unit of B.C.M. college organized a one-day long workshop on cutting & embroidery on 18th February 2022 in ICT Room at 11:00 am. The programme was chaired by Dr. Ashit Kr. Paul, principal i/c of the college. Sri Anus ch. Kakali was invited as the earthen lamp lighter in the programme. The discussion of the importance of cutting & embroidery took place in the ^{first session of the} workshop. There were 79 students and interested villagers along with teachers present participated in the workshop.

The Welcome Speech was delivered by the convenor of the unit, Dr. Bijuli Dena. In her speech she expressed the sole aim of the workshop and informed the audience that the college ^{had} opened this course not for the benefits of the college students only but the interested villagers also would be able to develop their cutting & embroidery skill.

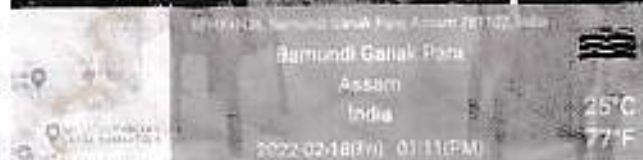

The workshop was resumed with two sessions. The first session was theoretical where discussion on importance of cutting & embroidery took place and the second session was practical. In the second session, resource person Shakti was along with her associate,

various new design designs as model. They conduct this session with hands-on. During one hour hands on activities the session was very enjoyable for the participants. At 2.00 p.m. there was a questions-answers session. The participants asked their queries to the instructor cum Resource person, and with some constructive solutions the session was ended over at 2.30 p.m. In the end of the workshop, Manisha Majumdar assistant professor of Education gave vote of thanks to all for their kind cooperation and support for the course. The workshop was ended.

On 8th March, 2022 Women's Cell in collaboration with the department of Political Science and the department of Education in celebrating International Women's Day within the college premise. As earlier celebration this time an awareness programme has been conducted to spread the message of equal status, opportunities of women with men and the leading role in shaping the future generation with conducive atmosphere in the society through the main theme of the UN - "Gender equality today for a sustainable tomorrow". To spread the awareness programme we jointly invite two renowned distinguished guests, the circle officer of the revenue circle named Taharabi Sonowal and Associate Professor Dr. Juri Das Choudhury, B. Baruah College. One of the guests named Dr. Juri Das Choudhury emphasised on biased free society and spreading the messages of equal contribution

in building a better future. She has her own journey of achievement before the august gathering of the students and faculty and appealed to the students' community to break all kinds of inequalities towards women. All the students and faculty members including Principal who presided in the event determine to stand in opposition to inequality and biased behaviour to ensure oneness and integration.

An awareness programme is organised by Women Cell of Binandri Chandra Medhi College, Ramdia, at college premise, under the chairmanship of Dr Ashil K. Paul, Principal of the college. The convenor, of Women cell, Manisha Rajwade, as Lect Professor, department of Education, has explained the purpose of the programme. All the members of Women Cell and other faculties have delivered the speech nicely on health and hygiene practices. They all focus on good hygiene. They say that good hygiene means avoiding illness and spending less money and time on health care. It can secure a family's social status and help individuals to build self confidence. It is very difficult to keep healthy oneself without the right knowledge, skills and adequate family support. They emphasise on supporting adolescent girls and women with menstrual hygiene management to keep clean themselves. They need to learn about the uses of sanitary napkins. These practices keep women healthy in hygiene issues.

The chairperson has summed up the programme with a positive remark on women's health. He further says that good health of a woman brings smiling and happiness to the family as a whole.
